Old Man Militia Scenario Paintball Team
10802 Oak Wilds Court

Dear Sir(s);

On behalf of the Kent Island Sea Monkeys, I would like to take a moment to recognize the performance of Old Man Militia Scenario Paintball Team at Operation Barbarossa, the Siege of Leningrad, at Paintball Sportsland in Frederick, MD on 01 March 2009. As General for the Russian offensive, I want to extend my personal thanks for all that was done not only by your commanding officer but the individual players as well.

The level of sportsmanship displayed was like a breath of fresh air on the field that day in Frederick. Understandably, there were quite a few issues had throughout the day and cheating was a big problem amongst not only our opponents, but our walk-on Comrades in arms. The fact that you were only a handful of people making the "long walk" back to the proper rejuve station didn't go unnoticed.

The level of skill I observed by your players as they accomplished objectives and cleared bottlenecks was also a welcome sight. Your level of training and cohesion as a unit are very apparent when the rubber meets the road so to speak.

It would be a honor to fight alongside such a quality crew in the future. With that being said, I am attaching a well deserved award for Most Valuable Team in recognition of your efforts on Sunday regardless of the outcome of the game. We played a more honorable game over the German army, hands down and the points didn't show that.

Once again, I thank you for your time, cooperation and all you did for the Glorious Red Army.

Sincerely,

Steve Biedrzycki
General, Glorious Red Army
Captain, Kent Island Sea Monkeys
